2017 Asia Conference on Mechanical and Aerospace Engineering

December 29-31, 2017 | Yokohama, Japan

2017 Asia Conference on Mechanical and Aerospace Engineering (ACMAE) is the sister conference of ICMAE (International Conference on Mechanical and Aerospace Engineering), focus on Asia's research, achievements, markets, industry, etc. The technological innovation advances at an ever dramatic pace; we believe that face-to-face communication is of great essential. With a solid reputation, ACMAE is where you will meet and network with engineering leaders, business innovators, researchers, academics and policy makers from across the globe.
